**Other Reports, if required (to be submitted with this application)**

The Planning Commission, City Council, or City Engineer may require other reports, plans, or information for the evaluation of this application. On a separate sheet of paper, provide the same information for each additional report as you did for the standard required plans and reports.

**Applicant Signature**

I have submitted all required plans and reports for this application and agree to submit any other reports, plans, and information as may be deemed necessary by the Planning Commission, City Council, or City Engineer, at my expense. I have also enclosed a check, payable to Millville City Corporation, for the amount of the non-refundable Engineering Review fee with this application. I understand that after approval of this application, that the final construction plans for this development must be submitted to the Planning Commission for Final Approval and Clearance to obtain a Building Permit.
