Nibley-Millville First Responders/Squad 140

Report

During 2009, Millville and Nibley cities experienced 92 medical emergencies within their boundaries. This is an all time high easily eclipsing the 2008 figure of 75. Our Emergency Medical Technicians (EMT) live in the Millville and Nibley areas and form the first level of response to medical emergencies. We are currently recruiting new members who would be willing to serve their communities by providing volunteer pre-hospital emergency care. Applicants must hold a current EMT Basic (or Intermediate/Paramedic) certificate from the Utah Bureau of Emergency Medical Services OR be willing to attend and successfully complete an EMT Basic course in Utah. Financial tuition assistance may be available for interested applicants. An EMT Basic course is scheduled to begin in February, 2010. For more information, please contact Dave Davenport at 435-512-6795.
