SEPTEMBER 2010 NUMBER 185

CITY COUNCIL CORNER

Each month we will keep you informed of the City Council decisions from the previous month. In August:

- Appointed Bonnie Farmer to continue serving on the Planning Commission.
- Accepted the audit proposal from Jones Simkins for fiscal year 2010 audit.
- Discussed an abatement of water utility fees for active service members.
- Approved a business license for Handy Randy LLC at 335 East 350 North as requested by Randy B. Wall.
- Discussed the Safe Route to School sidewalk project to begin this fall on 450 North between 100 and 200 East.
- Discussed the Nibley Substation being proposed by Rocky Mountain Power and road right of ways on 550 East accessing this substation.
- Reviewed the excavation for the new pavilion to be erected on the north east area of the City Park.
- Reviewed an update on the City Zoning Map.

MILLVILLE CITY WEBSITE

As noted under the title of the "Millville Informer", there is a website millvillecity.org. We invite those interested to visit this site where a lot of information about our community can be found.

2010 DOG LICENSES

If you have any questions regarding dog licenses please leave a message for Stephanie at 750-0924.

POSTING PLACES FOR INFORMATION (NEW POSTING PLACE)

There are three locations where information is posted within our city to keep you informed of upcoming meeting and events. They are: City Post Office – 70 West 200 North, City Office Building – 490 East 300 South, and the **North Park Pavilion – 435 North 100 East.**

NORTHERN UTAH ALZHEMER'S ASSOCIATION MEMORY WALK

Will take place on Saturday, September 18th at Murray High School (5440 South State St. in Murray). Registration begins at 8:30 a.m. Walk in honor of someone who died from the disease or who is now suffering with memory loss. Take your loved one and push them in a wheelchair. If you'd like to donate to the walk but cannot make it down to the event, you can drop off your donations at BRAG, 170 North Main St., Logan, UT 84321. Money earned from the walk goes toward respite and support services for families dealing with all forms of dementia. Each year these donations benefit multiple families in our area. Part of the money also goes toward research for treatments and a cure for A.D. For more information contact Allison Richman at BRAG: 435-713-1468.

HYRUM SENIOR CENTER NEWS

We are open Monday – Friday from 9:00 a.m. to 2:00 p.m. and serve lunch at 12:00 p.m. with a suggested donation of \$2.50. Please call by 10:00 a.m. at 245-3570 if you would like to eat lunch. All seniors are welcome. Our health fair/flu shot clinic will be on October 13th from 10:00 a.m. – 1:30 p.m. Watch for details.

September 15th – Sunshine Cares games, prizes and information.

September 22nd – Mark Twain will be here to entertain us

September 29th – 12:30 p.m. is our Luau. . . please wear your tourist clothes and come for some fun!

We have a fitness class each Monday at 10:00 a.m. We have chair yoga on Tuesdays at 10:30 a.m. It's easy and increases movement and decreases joint pain. Come in and join us. Have a healthy, happy month.

If you have any questions please call the Hyrum Senior Center at 245-3570.

HEARTSAVER CPR/FIRST AID/AED TRAINING

We have organized a class to receive CPR/First Aid/AED training through the Logan Regional hospital. This is the same training course they offer one Saturday each month but our class will be meeting in the evening and at a discounted rate. This is a 6 hour course that we will split up into two Wednesday evening classes, November 10th and November 17, from 6-9 p.m., at the Logan Regional Hospital. We will receive our First Aid/AED training one week and our CPR training

the other week. The fee for the course is \$35 per person and if you choose to purchase the training book it is \$20. If you are interested in attending this class please contact Debbie Redman at 435-213-4181. Class size is limited so reserve your spot now. If you cannot attend this class but would like to be trained in First Aid/CPR/AED the hospital offers this class one Saturday each month in one long session from 10 a.m. to 4 p.m.. The fee for the Saturday classes is \$50 per person. For more information you can call the Logan Regional Hospital Education Dep. At 435-716-5365

SCHOOL ZONES

Now that school is back in session, please make sure to observe all crosswalks and school zones. Any violation now requires a

mandatory court appearance. Our crossing guards do a great job protecting our children. Statute 40-6a-1002(2) states – The operator of a vehicle approaching a school crosswalk shall come to a complete stop at the school crosswalk if: (a) a school speed limit sign has the warning lights operating and (b) the crosswalk is occupied by a person. (Curb to Curb.) Please be patient and slow down when approaching school crosswalks.

STORMWATER - Whether you take care of your own yard or contract a professional service, you can play an important role in reducing storm water pollution, protecting water quality and conserving our valuable water and natural resources. By implementing these simple solutions you can take part in protecting our local waterways.

- Fertilize sparingly. If you fertilize, September is the best month. And be sure to use slow-release fertilizer. Remember more is not always better!
- If any lawn chemicals or yard debris get on the sidewalk or driveway, sweep them back onto the lawn to prevent them from washing into stormdrains. Even grass clippings and excess leaves don't belong in our streams or rivers.
- Sweep, don't hose, the driveway.
- Avoid over-watering. Don't let water run out into the street. Consider using a soaker hose instead of a sprinkler.
- If you use pesticides, read the labels! Don't leave or discharge any pesticides or fertilizers in

driveways, streets, or parking lots.... and don't pour them down a stormdrain.

- A well-maintained lawn can work as a filter, reducing runoff from impervious areas such as streets, roofs, driveways, and parking lots.

CACHE

METROPOLITAN PLANNING ORGANIZATION

What is the CMPO? Every metropolitan area with a population of more than 50,000 persons must have a designated Metropolitan Planning Organization for transportation to qualify for federal highway or transit assistance. The United States Department of Transportation (USDOT) relies on the MPO to ensure that highway and transit projects using federal funds are products of a credible planning process and meet local priorities. USDOT will not approve federal funding for urban highway and transit projects unless they are on the MPO's program. Thus, the MPO's role is to develop and maintain the necessary transportation plan for the area to assure that federal funds support these locally developed plans.

What does the CMPO do? The MPO carries out three major work activities to meet specific federal requirements. These are: The development and maintenance of the Long-Range Transportation Plan (LRTP) through a "continuing, comprehensive, and cooperative (3C)" planning process. The annual development of a five-year program for highway and transit improvements. This program is known as the Transportation Improvement Program or TIP. The annual adoption of a comprehensive one-year planning program: the Unified Planning Work Program or UPWP that describes and coordinates the individual transportation planning activities of all agencies in the area. Without these products, the Cache Metropolitan Planning Organization would lose its eligibility for federal transportation funds.
